Invocations to Claim the Mantles of those who Ascended

What is the mantle?

A mantle is actually an auric field that is worn—a highly charged electronic energy field.

The mantle contains the attainment and the authority of the master—his momentum of his realization of God.

At a certain point the master, or teacher, passes this on to the disciple. Buddha had his closest disciples. Elisha received the mantle of Elijah, his teacher. Elijah told him, "If you see me when I ascend, then a double portion of my spirit will fall upon you." So, Elisha's

cape was the cape of Elijah. Elijah's cape fell upon Elisha and he smote the waters and they parted, and all the prophets of Israel acknowledged him as a true prophet.

Chronology of Ascensions from The Summit Lighthouse

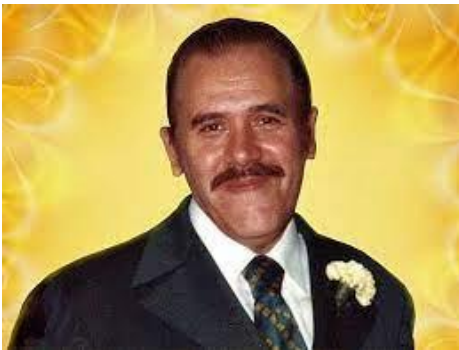

Leader:

In this primer, we honor our messengers, and the ascensions made through the Summit activity that were announced by El Morya in a pearl in October of 1997. For these people should be our role models. After all, they have succeeded, they have made it, and they can be our inspiration too, knowing that there is a well-trod path ahead of us, footsteps we too can follow to our victory!

All of these recently-ascended masters have faced the tests that you now face. Thus, it will benefit you to read their victories, great and small, so you can follow, step-by-step the same path to your own victory. Then, in the name of the Christ, you can petition a specific ascended master to receive his or her mantle or his or her mastery of a particular quality or particular initiation that you now face.

I will read each master's short bio in the italicized print so you can gain or regain a sense of that master's identity. Then we will give the invocation to implore the master's Spirit to fall upon us. Let us begin with...

The messenger Mark L. Prophet, our Ever-Present Guru...

The Masters announced in 1967, the ascension currents had begun in the body of Mark Prophet and these currents had enveloped his legs. So our beloved Messenger was in the ascension process five years before he ascended on February 26, 1973. He ascended with 71 percent of his karma balanced. With the service he rendered from inner levels, he balanced 100 percent on October 26, 1997. The ascended master Lanello told us: "I give to you my mantle as you are able to receive it. I ask you to claim my mantle daily." Let us give the invocation together...

In the name of the Christ, O beloved Ascended Master Lanello, I ask you to give me the full-gathered momentum of your victory that I also shall overcome and leave a record in the sands of time for others who will follow after me in the victory.

Grant me access to the spheres of light from your Causal body and the momentum of your embodiments that span the many cultures and religions of the world, including priest of the sacred fire on Atlantis, the Prophet Noah, Lot in the Old Testament, the Egyptian Pharaoh Ikhnaton, Greek fable-teller Aesop, Saint Mark the evangelist, Origen of Alexandria, Sir Launcelot de Lac, Zen master Bodhidharma, the great Muslim leader Saladin, the Franciscan mystic Saint Bonaventure, the Sun King of France Louis the XIV, Iroquois Chief Hiawatha and Henry Wadsworth Longfellow.

I claim a double portion of the mantle of my guru, Lanello. In God's name I AM truly with Lanello, everywhere in the consciousness of God!

Elizabeth Clare Prophet, Messenger of the Great White Brotherhood...

In 1980, she balanced 100% of her karma, fulfilling the requirements for the ascension, but volunteered to remain in embodiment following the ideal of the bodhisattva. She explained that "it is customary when one ascends to claim the mantle of the ascended one in God's name in the tradition of Elijah and Elisha when Elisha claimed the mantle of his Guru Elijah... So we say, "I claim a double portion of the mantle of [fill in the Ascended Master] in God's name. In so doing, you multiply the Master's opportunity to do good works on earth through you. So, it is a great boon to any Ascended Master to be known by devotees left on earth." Together...

I invoke the power and authority of the mantles of the Messengers Mark L. Prophet and Elizabeth Clare Prophet for strength, vision, illumination and victory to accomplish all of my spiritual goals and to overcome all unreality manifesting in my consciousness, being and world.

Persis MacDonald...

The first to ascend from the Summit activity, Mark Prophet said that he had never seen anyone who could hold on to higher consciousness like her; she was a shining star, quickly ascending with 57 percent balanced. Let us invoke her mantle... Together...

In the name of the Christ, O beloved Ascended Lady Master Persis MacDonald, I claim the full-gathered momentum of your victory and ability to hold on to higher consciousness that I also shall overcome and leave a record in the sands of time for others who will follow after me in the victory.

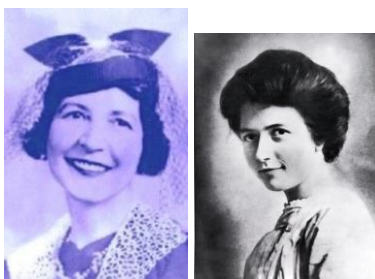

Clara Louise Kieninger, Regent Mother of the Flame...

The next individual to ascend, with 90% karma balanced at the age of 87. Embodied as the apostle James at the time of Jesus, and on ancient Lemuria, she served as a priestess at the altar of the Divine Mother. At the age of twelve, Clara Louise determined to be a nurse, and nothing would dissuade her from that calling. Upon graduation from Nursing School, she took her class motto, Ich Dien (I Serve) as the guiding principle of her life. Wherever she served, Clara Louise left the mark of disciplined love even as she set the standard of perfection. She was known for keeping a daily vigil of prayer on behalf of the youth of the world, beginning as early as three or four in the morning and continuing for two to four hours, even until noon. She now serves with her twin flame Amen Bey, and Master Serapis at the Ascension Temple at Luxor, Egypt. Together...

In the fierceness of the fire of Amen Bey and Serapis Bey, I invoke the fiery mantle and cloak of light of ascended lady master Clara Louise to impart to me your momentum of disciplined love and assist me in accelerating the ascension flame and life-force within.

Beulah Heaney, Lady Beatitude...

Faced many challenges, being practically deaf, Beulah raised five children, worked long hours, loved God and glorified him continuously. She was happy to serve. She did not consider it a lowly office to work in the kitchen but the greatest alchemy of giving to the staff a higher way to eat so that they could deal with their bodies. She dealt with the pain of cancer for a year before her transition. She took the full cup of her karma willingly and joyfully. Beulah made her transition on December 5, 1969, spending time in inner levels at the Ascension Temple at Luxor, Egypt. Her liberation came on March 11, 1971, after she concluded her final preparatory work in Luxor, balancing

the remaining portion of her karma which gave her the 51 percent requirement. She appeared to Mark Prophet in her ascended master light body, and he announced that she had ascended. Together...

In the name of the Christ, O beloved Ascended Lady Master Beatitude, you who have the victory over this test of HUMILITY and to do whatever needs to be done, I ask you to give me the full-gathered momentum of your victory of LEADING A LIFE OF SERVICE with PATIENCE, ENDURANCE, KINDNESS OF HEART, JOY IN SERVING and the CAPACITY TO BE IN CONSTANT PRAYER that I also shall overcome and leave a record in the sands of time for other souls climbing the highest mountain who will follow after me in the victory.

Denny Cree...

Iva Cree...

Mighty Victory said, I come bearing the record and the testimony of those who have overcome the world in the past twelve months [of 1973]. Among these is that one whom you called "D. Cree," our own beloved Denny Cree, who ascended in this year. His Ascension Day is May 13th, balancing 68 percent of his karma. His wife Iva Cree ascended, balancing 53 percent. Together...

We honor Ascended Master Denny and Ascended lady master Iva Cree! In the name of the Christ, I claim the mantle of the ascended masters Denny Cree and Iva Cree.

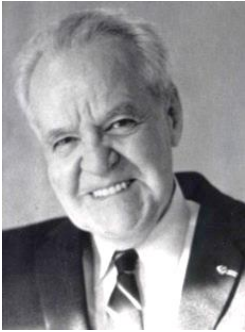

Ruth O. Jones, Sister of the Golden Robe...

A Keeper of the Flame for 13 years, ascending on January 3, 1976, at the age of 80 with 68 percent karma balanced. Kuthumi said of Ruth: "I transfer by the authority of her own ascended presence the ray of her mantle, the momentum of her dedication, to every Keeper of the Flame and every soul who will read this announcement and who will believe in Christ, in the ascension of her soul, and in the possibility of the ascension of his own soul. ...She stands with the immortals to pass on to souls climbing the highest mountain the techniques of self-mastery and of overcoming." Ruth's husband and twin flame, Sidney Jones, made his ascension with 67 percent balanced. Please give the invocation with me...

In the name of the Christ, O beloved Ascended Lady Master Ruth Jones, you who have the victory over this test of DEDICATION, I ask you to give me the full-gathered momentum of your victory of SELF-MASTERY and OVERCOMING that I also shall overcome and leave a record for other souls who will follow after me in the victory.

Leon E. A. Chagnon, 'Chag'...

Leon found the teachings at the New Year's Class 1962 in Washington D.C. Ascending in 1978, with 73 percent balanced, Kuthumi said of Leon: There comes with Melchizedek, this one chela who has ascended in very recent months, Leon Chagnon. You can reach out and touch this friend of light, one who has walked among you, that you may reach out with your hand and clasp the hand of this newly ascended master, Leon and of many others whose names are not known to you. Now there comes to you the bequeathing of a causal body, not of someone remote as a great cosmic being, but of one of your own members... and that causal body is extraordinary as yours too can become, for it is supercharged with the white light of the Holy Order of Melchizedek. Together...

I claim the full-gathered momentum of the causal body extraordinaire and the mantle of Ascended Master Leon Chagnon, supercharged with the white light of the holy order of the priesthood of Melchizedek—the mantle to turn back, withstand and focus in the physical octave momentums of light equal to and greater than the forces arrayed against this body of lightbearers worldwide.

Florence Jeannette Miller, Lady Master Kristine...

Florence found the teachings of the ascended masters in 1968. The minute she saw photographs of Mark and Elizabeth Prophet, she recognized them as true Messengers of God. While serving on the staff of The Summit Lighthouse, Florence met and married the Reverend Norman Thomas Miller. At age 43, Florence passed from the screen of life as a result of a brain tumor. As her physical vehicle laid unconscious in the hospital bed, her soul wrapped in her finer bodies was taken to the Cave of Symbols and was seated in the atomic accelerator. The next morning, on September 20, 1979, her soul fulfilled at inner levels the initiation of the ascension. Together...

George found the teachings in 1961. Known affectionately as 'Uncle George,' he was loved by everyone who knew him. He would rise every morning between two and three o'clock, greet the masters, and decree until six. The key driving force in his life, from the moment he found The Summit Lighthouse, was his determination to make his ascension. He ascended on February 8, 1984, from the Royal Teton Retreat. George had the quality most cherished by El Morya – constancy. Together...

In the name of the Christ, O beloved Ascended Master 'Uncle' George Lancaster, you who have the victory over this test of the willingness to take any rebuke, any correction from the Master, to take it swiftly and to then swiftly self-correct: I ask you to give me the full-gathered momentum of your victory of your God-virtue of CONSTANCY that I also shall overcome and leave a record in the sands of time for others who will follow after me in the victory.
