

Spirals of Victory for the Golden Age Call*

*Call Derived/Inspired from: *Pearls of Wisdom*® Vol. 43 No. 12- Beloved Mighty Victory and Archangel Michael, The Victory Way of Life, 22, Spirals of Victory for the Golden Age, Delivered on October 11, 1974, at the Harvest Class, **Voyages of Discovery**, held in Los Angeles, California.

Spirals of Victory Descend into America!(9x)

And I say with Mighty Victory:

I AM Victory! I come forth with legions of light from the Great Central Sun, where the altars of victory that are the four pillars in the temple of being are blazing bright this night with the fires of victory, with the golden flame of illumination.

I AM Victory and I come to release from the heart of Alpha and Omega the spirals of victory for the **golden age**. These are spirals for the victory of a planet, a solar system and a galaxy-the victory of the white fire core of being.

I come with a proclamation of joy, discovery and light for the **golden age** of my own soul manifestation. For the **golden age** must take place within each one that the **golden age** might appear as the Second Coming of Christ universally in manifestation in mankind.

I AM the joy of victory. I AM the fulfillment of the light of victory in every atom, in every erg of energy. I AM the joy of victory rolling back the hordes of night and the fallen ones who would take from you your very life in order to usurp the joy of my flame and my coming.

Well, I AM here! I AM in this force field and I proclaim the golden light of victory within you!

I AM Victory and I challenge all that assails the cosmic honor flame in this nation, in this planet and in your soul. We will brook no interference with the victory of our chelas. Therefore I say to you who are weary with the burdens of life and the

compromises that you have elected to take of your own free will in the human consciousness-in the name of Saint German, I say, be free this night. For I AM here and I AM here to support you in your commitment to the holy fires of freedom.

Lower that forehead with determination, I say, and lead the angels of light and the forces of light into the fray. Forward, I say! March to the victory. Accept no force, no consciousness, no circumstance in your life that would deprive you of one erg of God's energy of immortal love, mercy, justice or the flame of peace.

Therefore, I challenge that carnal mind and I stand with Archangel Michael to proclaim the word of that challenge:

In the name of the living God,
In the name of Jesus the Christ,
In the name of the fire within you,
I challenge the carnal mind,
The Antichrist and all Satanic power
In every man, woman and child on this planet.

I take another step: I challenge Lucifer, the Lucifer and all the hordes of night who would deprive this nation, this land, this hemisphere and this planet of the fulfillment of the spirals of victory for the **golden age**.

I stand in the name of the Christ consciousness of mankind.

I stand in the name of the I AM THAT I AM

And I challenge every foe, every tyrant, every woe.

I say, Beware! For the light of cosmic forces dawns

And you who have aligned yourselves with darkness,

Beware! For this is the hour

To align your consciousness with the Christ

And to proclaim your separation from the fallen ones.

I AM Victory and I claim the victory of the light on Terra! (3x)

And in full faith...
